1st September 2025

Dear Parent/Guardian,

Tallangatta Primary School is excited about the upcoming year of Teaching and Learning and would like to inform you about our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the continued support from our families is essential for offering the best possible education and additional support.

We deeply appreciate your contributions, whether through fundraising or volunteering, which have significantly enhanced our school and its programs. Family contributions are vital for providing essential resources such as books, technology, and extracurricular activities that enrich the learning experience. Moreover, your involvement creates a supportive environment that motivates and encourages students, helping them achieve their full academic potential.

To maintain and improve our learning outcomes, we encourage and welcome continued family support through voluntary contributions. For more details on the Department's Parent Payments Policy, please refer to the attached one-page overview.

Yours sincerely,

Alisha Watson – Principal

Angus Beath – School Council President
